Preparations for "Mistress Mary."

Rehearsals for "Mistress Mary," the three-act pastoral opera which is to be given November 3 and 4 at the Opera House, are being carried on in real earnest. Miss Margaret Martin, who wrote both the words and music for the opera, is conducting the rehearsals and it is predicted that the affair will be a huge success. The entertainment is to be given under the auspices of the Free Kindergarten and Children's Aid Association, and the proceeds will be used in furthering the work of this organization.

The officers of the Free Kindergarten and Children's Aid Association, who are working for the success of the coming opera are: Mrs. Wallace R. Farrington, president; Mrs. Gerrit P. Wilder, first vice-president; Mrs. F. M. Swamy, second vice-president; Mrs. Sanford B. Dole, third vice-president; Mrs. D. Oleson, recording secretary; Miss Wilhelmina Tenney, treasurer of the kindergarten; Mrs. Ernest Ross, treasurer of the Castle Home; and David Anderson, auditor.

The committee in charge of the performance is as follows: Finance, Mrs. James Bicknell; chaperones, Mrs. Andrew Fuller and Mrs. Jerome Pillow; tickets, Mrs. Annie Phillips; programs, Mrs. A. Lewis; ushers, Miss Harriet Lucas and Miss Mary Lucas; candy, Mrs. Z. K. Myers and Miss Jessie Kennedy; personnel, Mrs. W. D. Adams; and publicity, Mrs. Gerrit P. Wilder.

The Christmas Ship.

The committee of ladies from the Woman's Guild and Auxiliary of St. Andrew's Cathedral met on Monday afternoon at the home of Mrs. W. L. Emory to discuss further plans for their campaign. It was decided that a general plea would be sent to the children of Honolulu asking them to give any books, dolls or toys that are in good condition so that most of the gifts to be sent to the children of the warring countries would come from the children of America, this being the same plan that is being adopted by those on the mainland who are preparing Christmas packages for the Christmas ships to leave New York and Los Angeles early in December.

The committee will be glad to receive any donations of money, in fact such financial contributions will be doubly welcome, and will be used to purchase useful articles for the suffering children.

It is the purpose of the women all over the United States to bring something of the "Peace on Earth, Good Will Towards Men" to those children of European warriors who seem to have forgotten the message of the Christ, brought to the world two thousand years ago.

"Mile. Modiste"

Much interest is being shown in the coming presentation of "Mile. Modiste" by the Myrtle Boat Club at the Hawaiian Opera house on the 27th and 28th of October.

Mr. Gus Schaefer is chairman of the committee under whose direction the performance is to be given, though the actual work is being done by Ned Steel and "Sonny" Cunha, who are busy at present instructing the principals and chorus in the singing. The music is particularly pretty and will be whistled and sung for many a day after the gay little French maid is packed up and sent back to New York.

Mrs. Bessie Abbot Howland will be seen in the title role, having returned to the islands to play the part. She

En Route to Honolulu.

The army transport arriving in Honolulu October 13 will bring Captain and Mrs. Joseph Kay, U. S. A., who will be in Honolulu for some time. Captain and Mrs. Kay have many friends in the islands as they have on the mainland.

Of Interest to Honoluluans.

The following clipping from the San Francisco Chronicle will be of interest to Honolulu society folk:

"Mr. and Mrs. George Henry Tyson have reopened their home in Alameda, after an absence of several months at their country place near Los Gatos. Miss Marie Tyson spends much of her time across the bay, where she takes an active part in social affairs."

Mr. Rideout is chief engineer of the steamship Manchuria and has scores of friends in Honolulu, where he has often been a visitor.

Mr. and Mrs. Ted Cooke (Muriel Howatt), who were in Europe at the outbreak of the war, arrived safely in Honolulu yesterday in the Manoa. Mr. and Mrs. Cooke were spending their honeymoon in Europe and say that it was far more exciting there than they had expected.

PLEASING REPORTS ARE READ AT MEETING OF WOMAN'S MISSION BOARD

Following the basket luncheon served by the ladies of the Woman's Board of Missions and Woman's Society of Central Union Church yesterday the Woman's Board of Missions held its monthly meeting in the church parlors.

Several changes were noticed in the board. Much was said of the late Mrs. Doremus Scudder, who, during her life in the island worked so earnestly for the good of the organization. Mrs. Theodore Richards, who has been president of the board for a number of

years, has been given a six-months' leave of absence and Mrs. B. F. Dillingham has been appointed presiding officer to serve during her absence. Mrs. Dillingham will be called the presiding officer rather than acting president for she has been treasurer of the organization since its formation more than 40 years ago and still holds that office.

A number of interesting pictures were shown of the Armenian children, who are reaping benefits through the work of the local board of missions which has for years sent a regular sum of money to Armenia to be used in educating the children there. The pictures were in the possession of Miss Agnes Judd, who is deeply interested in the little foreigners.

The first work before the board is the preparation of the Christmas boxes for the children of China and India. For a number of years these boxes have been sent to the children who are learning the great teachings of the Christ, and of his message to the world.

interesting papers on the work to be done by the individual members, and on the need of the city missions, were read by Mrs. Arthur Alexander and Mrs. D. L. Withington.

Reports of the various officers were read and showed that the good work of the organization is increasing and that the members are growing in their enthusiasm over the different phases of the work opened to all who are interested in the needs of the community.

That all money orders which are in the nature of subscriptions toward the Red Cross fund for European war will be sent free of charge to the Red Cross headquarters in Washington, D. C., or New York city, by the Wells-Fargo Express Company, is the announcement which has been made by the general agent for the company in the territory. Individuals sending subscriptions, as well as organizations or special committees engaged in the collection of funds in the interest of the Red Cross movement, will be recognized under this rule.
